WHAT WE'RE LEARNING:

Reading/phonics/grammar: This week we will finish our reading book with the very short story "On the Go." With this story we will review all of the sounds and concepts from this unit.

Math: Today we finished our unit on time. We will finish the year out working on adding and subtracting double digit numbers. We are not working toward mastery in this unit-just an introduction for second grade.

Science: We continue our weather unit by talking about rain and water.

Social Studies: We have finished our land unit and will be starting one about America.

Christian Faith: We will be reading some of the Psalms.

Sight words: Just a reminder- After Memorial Day I will be testing the students on all of the sight words from the beginning of the year until now. This week's words are review of past words. There are no more new words.
