

5th GRADE MONDAY NOTE

Concordia Lutheran School

Week of May 19 - 23, 2008

Panther Pride

Dear Parents,

I'm feeling better and am happy to be back at school. I missed the kids and I'm thankful for Mrs. Pratico's assistance in keeping the children moving forward in their work. Mrs. Pratico enjoyed her time with the class and had nothing but praise for them. Thank you for your understanding and prayers.

Mrs. Sinkoske

CHRISTIAN FAITH – This week we work on Lessons #76-78. Pastor Kampia will be with the class on Tuesday. MW: p. 157 for THURSDAY (there's band on Wed.)

SPELLING – Pages 141 -146 will be used. Test on Friday.

READING – We'll finish our work with FRINDLE and then move back to our book and read "The Riddle." We will continue to share book report posters this week too.

LANGUAGE – Our work with adverbs, Unit 11, will be completed. The test will be Friday.

SOCIAL STUDIES – This week we will finish up Chapter 12 and the test will be next Wed. WITW – U.S.A. cities for tomorrow.

SCIENCE – Many interesting solar ovens were brought in last week. We have moved on to Chapter 3D, Energy.

5th Grade Math – Ms. Brown

Please review, sign, and return the Chapter 9 test.

This week, the students will begin concepts relating to geometry. They begin by learning about points, lines, and rays in space, and will also study properties of triangles, as well as use a protractor to measure and draw angles.
